OU Gridders Are Classroom Stars

University of Omaha student athletes have performed as well in the classroom as they did on the athletic field. Many of the OU standouts are among the top students in their fields. One interesting aspect of these averages is the fact that many of the biggest men, once considered big dumb football players, have the top mark as a whole. Jack Petersen, 6-5, 300, has the top cumulative mark of 2.9565, or a B average. 4.000 is perfect. Jim Kettle, two-way right end had the top semester mark of 3.2500. The Kadow twins--Brian and Kevin are outstanding students in the Business College. OU athletes as a whole were far above the all school average.

OU FACTS AND HISTORY

The University of Omaha, 54 years an institution of higher learning, was founded in 1908 as a private, non-sectarian, co-educational school. The University became municipal in 1931.

The present campus, on the fringe of Omaha when the Administration building was opened in September of 1938, has grown with the city. In 1949, the second building on the campus was opened--the \$750,000 Fieldhouse stadium.

The Gene Eppley Library was completed in 1955, Applied Arts Building in 1959 and the Student Center Building in 1960. All campus buildings are completely air-conditioned, making Omaha U. the only such University in the world.

Full educational and athletic programs are offered the University's 8,500 students, of which 4,600 are full time day students.

The University, fully accredited by the North Central Association of Colleges and Secondary Schools, is composed of five colleges: Arts and Sciences, Applied Arts and Sciences Business Administration, Liberal Arts and College of Teacher Education and College of Adult Education. The Division of Technical Institute and Graduate Studies plus a Summer Sessions Program help round out the educational program.

The University, as a further service to the community, designs training courses for business and industrial employees; supplies in-service training for teachers; conducts television classes for University credit on KMTV; and sponsors a wide variety of conferences, workshops, lectures and concerts to enrich the academic program.

The University of Omaha has gained an enviable reputation for the quality and character of its athletic teams and currently is a member of the Central Intercollegiate Conference (CIC), the National Association of Intercollegiate Athletics (NAIA).

National recognition and honors have been received in all sports and steady progress in intercollegiate athletics has been evident during the last decade. Full schedules are sponsored in 8 sports -- football, cross country, basketball, wrestling, baseball, golf, tennis and track.

Intercollegiate athletics are directed and controlled in the same manner as all other academic and extracurricular activities. All athletic policies conform to the basic policy of the University as determined by the Board of Regents. The responsibility for the administration of these policies is delegated to the OU president. The Director of Athletics and the Faculty Athletic committee actually administer and advise in the administration of the program. The program is coordinated with the PE and intra-mural programs.

FOR THE PRESS

Press Box Space

All press box working space, as well as application for radio or TV broadcasts, should be requested from the Sports Information Office, Norm Taylor, Director. So that we may serve you better, please make your requests early. ALL SEATS IN THE BOX ARE RESERVED FOR WORKING news-paper men, radio broadcasters, spotters, statisticians and other personnel necessary for the functioning of the box. We believe our facilities are quite adequate, but as a safety measure, it is best to make your reservation in advance if possible. Photographers are permitted to work from the sidelines.

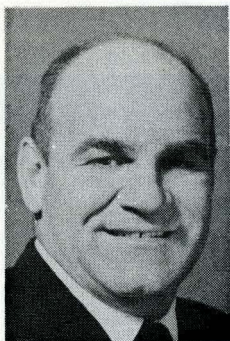

Seating of Scouting Teams

Teams scouting Omaha U. and their opponent the following week will be allowed two seats in the press box. All other scouts will be seated (two seats only) as press box space permits. This rule was set by the CIC conference.

Services and Press Facilities

Telephone facilities are available. During the game you will be provided with halftime and final statistics. Programs, lineups and other statistics will be provided during the game.

The lower level of the press box is for working newsmen, spotters and statisticians. The second level has two radio booths and the Public Address booth. On the roof are facilities for visiting moviemen and TV cameramen. Newspaper photographers operate on the sidelines.

Head Football Coach

Al Caniglia

Al Caniglia became the winningest coach in OU annals with last season's 8-1-1 mark. The 42 year old Omaha native has a 15-11-2 mark in three years at the OU helm.

Al begins his fourth season here as head man. He served two years as an assistant prior to taking the top job in 1960.

Each year his teams have shown improvement over the previous season. His inaugural squad was 1-7-1, followed by 6-3 and 8-1-1. Al was selected "Little All-American Coach of the Year" by the Knute Rockne Club of Kansas City after his 6-3 mark in 1961.

Born in Omaha, Caniglia attended Omaha Central High School. He entered the Navy after attending Creighton University from 1940-1943. He went to the University of Iowa in 1946, the same year he signed a professional contract with the Green Bay Packers of the National Football League playing despite the lack of size.

After one season at a regular offensive guard spot with the Packers, a knee injury ended his playing days and Al began coaching.

He coached the Norfolk, Va., Naval Football team in 1946 and the Patterson, N.J., farm club of the Detroit Lions in 1947. After two years as assistant coach at St. Louis University (1948-49), he moved to Hillsboro, Ill., High School where he coached football and track, taught physical education and served as Dean of Men for seven years. His Hillsboro teams compiled a 36-25-2 record.

He came to OU in 1958 as Lloyd Cardwell's chief assistant and took over the top spot when Cardwell resigned in 1959.

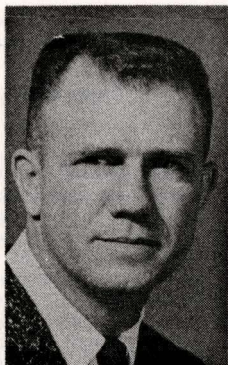

Al received his BA degree in education in 1951 and his Masters in 1956, both from Omaha U.

Backfield Coach

Ken Fischer

Ken Fischer, 36, is in his fourth year at Omaha U. A personal choice of Caniglia's, he was appointed in February, 1960.

Ken, a native of St. Edward, Nebr., coached at Oakland from 1950-1954 and at Chappell for one year before a long term at Blair, Nebr. High.

His Blair teams rolled up a 69-19-4 record in 10 seasons. Fischer lettered two seasons at Nebraska U. where he played in the backfield. He received his BA in 1950 and earned his Master's at Omaha U. in 1962.

A fine knowledge and great ability to get his ideas across to his players is his forte. Caniglia calls Fischer "the best backfield coach in college ranks."

Line Coach

Don Watchorn

Don Watchorn, 37, was named top assistant by Caniglia in July 1959. He is now in his fifth year at OU.

Born in Dodge County, Nebr. Don attended Ponca High School, where he later served as principal, coach and teacher (1950-52). From 1952 until the time he came to OU, Don was an outstanding

Coach at Schuyler, Nebr., High School. He was head football and track coach, assistant basketball coach and industrial arts teacher.

His clubs won the Nebraska High School Class B title for several years. Don earned his BA from Midland College in 1946 and his Masters from OU in 1961. Caniglia has labeled the former Midland star "the best line coach in American colleges."

Assistant Coach

Don Benning

Don Benning, a former OU football and wrestling star, was named assistant coach this summer.

An OU football assistant in 1959-60 and 1960-61, Benning returns to his alma mater as Head Wrestling Coach and varsity grid assistant. Don earned four letters in football and was one of the top wrestlers in school history. He was the leading rusher on the 1956 football team and compiled an undefeated season as a captain of the wrestling team in 1958.

Don, 27, is married and the father of a year-old daughter. "Don is a tremendous addition to our staff," Coach Al Caniglia said. "He will really help us."

Assistant Coach

Lou Miloni

Lil' Lou Miloni has been named to an assistant coaching job for OU. The 4-year veteran was OU's leading rusher last fall with 686 yards on 103 carries. The personable little halfback will coach halfbacks this fall while finishing out his work for a Bachelor's degree. He is the second best ground gainer in OU school history. The 137-pound mighty mite was a two-

time all-conference selection.

Miloni, 23, was a four-year regular in both wrestling and football. He was captain of both squads. A graduate of Omaha Central High School was an All-City gridder and all-state wrestler. An education major, Lou plans to go into the coaching field after graduating. Lou was married this summer.

Athletic Director

Virgil Yelkin

Virgil Yelkin has held the position of athletic director at the University of Omaha since 1946. He is head baseball coach and associate professor of Physical education.

Yelkin, 50, was born at Firth, Nebr., and attended Lincoln High School in Lincoln. He went to the University of Nebraska where he was a football and basketball standout in the mid-30's. He was on the Kansas City Star's All-Big Six football team and received several honorable mentions to the All-American team.

Oddly enough, Virg did not play baseball at NU, the sport he has been so successful in coaching at OU. He earned his Bachelor's degree in education at Nebraska in 1936 and his Master's degree from Omaha U. in 1954.

Virg's coaching career started at South Sioux City Nebr. in 1937-38. He coached at Norfolk, Nebr., High in 1938-39 and at Fremont, Nebr., High from 1939 to 1942 before an overseas stint as a major. He also served in the Korean conflict.

Recently selected "NAIA Baseball Coach of the Year" Yelkin has directed the College World Series at Omaha for the past two seasons.

Yelkin has directed his baseball teams to one of the finest records in all coaching annals in his stint at Omaha University.

His 1963 club was 21-2 which made the OU mentor's record 195-65-3 for 17 years at OU. His last five seasons include: 1962, 18-6; 1961, 19-5; 1960, 19-7; and 1959, 23-2.

Yelkin's clubs finished second, third and fourth in the NAIA Baseball Championships in 1959-60-61.

THE 1963 PROSPECTS

Can the Indians repeat as CIC titlists this fall? That is the big question as OU coaches begin fall camp. The Indian success will depend on how well newcomers develop, says Al Caniglia, OU mentor.

"We could be as good as last year if all goes well and provided those rookies come through," the veteran coach predicted. "Overall, we should be very good defensively with the offense potentially good if we get some help at the guard, tackle and end positions," he noted.

"Position-wise we look this way: Bright at fullback, halfback and quarterback; Good, but lack of depth and experience at end; Good at right tackle, but lack of depth and experience at left tackle; Very questionable at the guard spots with no experienced people; The center spot is excellent with several capable people.

"Defensively, the Indians will be strong at end; Good in the secondary with some lack of experience; Excellent in the line with good prospects but some lack of experience in the line-backer spots.

"We'll be a good ball club and may surprise a few people," says Caniglia, beginning his fourth season at the helm. "Our competition is probably the best we can find and the CIC should be very balanced this fall." This should be the biggest and fastest OU club ever to take the field. Strong points should be the defense and fine crew of backfield performers on offense. All told 18 lettermen return from the 1962 club which won 8, lost 1, tied 1. Weakest spot in pre-season analysis is guard. Replacements will have to be found for All CIC halfback Lou Miloni; end Paul Blazeovich and tackle George Jesko. Gone are three of the finest guards ever to bless one school--Duane Salak, Tony Roberto and Gary Baughman.

The Indians return All-American candidates Carl Meyers at Quarterback and Jack Petersen, 6-5, 300 middle guard on defense. The Indians also have the speedy Roger Sayers at halfback, Wayne Backes at the fullback slot and Lee Milner, a hard running halfback.

Defensively the Indians sport the biggest 4-man line in college football. The quartet of Petersen, Brian and Kevin Kadow and Paul Limas tip the scales at an average of 272 per man. Six offensive starters return and seven defensive starters are back.

The Indians were hard hit by losses of five lettered guards and two starting offensive tackles. In all OU lost 15 lettermen, 12 through graduation. Besides the left side of the line and Miloni, OU lost defensive backs George Payne and Dean Taylor, 4-year regulars; 4-year quarterback letterman Dave Gibson; Artie Reynolds, a promising halfback; and Larry Von Tersch and Ron Stave, two fine young guards. These athletes were expected to carry the guard load this fall.

THE 1963 PROSPECTS

Help this fall will have to come from transfers and a fine crop of rookies. Newcomers at the guard slot include: transfers Harlen Aden, Scottsbluff JC; Dan Dowd, McCook JC; Jeff New, Sterling (Colo.) JC; and freshman Don Loftus of Omaha South and Alex Hopkins of Omaha Benson.

At end, the top rookies include: Mike DiBiase of Arizona; Mike Gittings of Omaha Holy Name; Jon Horosko of Wilkes, Pa., and Gary Neumann of West New York, N.J.

Other top newcomers include: Tackles Joe DiMario of Kenilworth, N.J. and Jack Krogh of Omaha Central; Center Reed Shipman, Trinidad JC transfer; Marlin Briscoe of Omaha South, and John Markovich of Wilkes, Pa., quarterbacks; Duane McAndrews of Boys Town; Donald Moray of Ann Arbor, Mich.; and Dave Nettelmann of Plattsmouth, Nebr., at halfback.

The squad is broken down like this: Eleven seniors, eleven juniors; 16 sophomores and 25 freshmen.

TEAM ANALYSIS

RUNNING--Five backs who gained 1465 yards return. Gone is Miloni, leader at 686. But Sayers (345), Milner (375), Backes (367), Meyers (210) and Allen (168) are returned. Should be potent ground corps.

PASSING--Carl Meyers hit 46-101 and 783 yards in '62, and is back. Joe Benson is capable thrower. OU may use passing weapon more this fall.

PASS RECEIVING--A bevy of excellent receivers return. Blazeovich will be missed, but Kiscoan, Milner, Kettle, G. Allen, and Ken Allen are above average.

KICKING--Adequate, but punting is a question mark at this time, with Blazeovich gone. Meyers, Crum, and Kevin Kadow are top candidates now. Kickoffs should be handled well by Meyers and Jim Jones.

TEAM SPEED--Offensive speed is very good and defensive speed is about average.

EXPERIENCE--Eighteen lettermen give Tribe staff fair experience, but will be very patchy in spots experience-wise. Tested veterans at least one deep.

SIZE--Very outstanding size this fall with biggest defensive line in college football. Backs are mostly big at 180-200. Offensive line will be smaller than defense, but will average about 210-215.

DEPTH--This is a big question mark as fall camp begins. Depth will be lacking at guard, end and tackle. There are two teams--offensive and defensive--of good experience, from there it really drops off.

DEFENSE--Should be mighty tough. Big linemen and quick backs should make the unit one of toughest around. Allowed opponents less than 100 yards per game on the ground last fall. Pass defense should be improved.

OFFENSE--Adequate with some finds at the guard spot. Will lack power of 1962 offensive unit.

ENDS

JIM KETTLE: Senior right end, 6-2, 212, two-year veteran at the flank spot. One of the top blocking ends in school annals. A real pro prospect with good speed and excellent hands. He is an outstanding blocker and a very tough defensive end. A native of Parsippany, N.J., Jim was a four-sport letterman at Mountain Lakes High. An education major, Jim was a New Jersey all-stater. He holds the Indian javelin throw record at 184-1.

JACK KISCOAN: Senior left end, 6-0, 190, two-year vet is outstanding defensive end. Came here from Omaha South where he was all-state. Will probably start on offense this fall. He is a good blocker, with good speed and good hands. An all-CIC defensive end last season, Jack is very agile and performs well at rushing the passer. He earned both grid and track letters at South. A Business Administration major, Jack hopes to go into business after graduation. Transferred from Nebraska U.

TOM WOLFF: Sophomore left end, 6-0, 195, came along very quickly last fall after being converted from a back. He has good speed (:10.3 hundred) and could be a big help to the Indians. He may go both ways on occasion. Journalism major is a good student. Earned letters in four sports at Omaha Westside.

Yr.	Pass Receiving			
	PC	Yds	Gained	TD Avg
'62	1	8		0 8.0

KEN ALLEN: Senior right end, 6-0, 180, is converted signal caller. Will probably play defensively. A capable offensive performer, Allen has seen little action in 3 previous campaigns. A southpaw, Allen has good hands and could develop into a capable blocker and receiver. He is 3 year first base veteran on Indian diamond club.

ED NEEL: Sophomore right end, 6-1, 170, is a promising candidate. A top student, Ed has good hands, good speed, and plenty of savvy. Saw little action in 1962 but may develop into surprise of the fall camp. Bellevue grad.

Mike DiBiase, 6-2, 190, standout from Arizona
 Mike Gittings, 6-1, 189, speedster from Holy Name
 Gary Neumann, 6-0, 180, West New York, N.J.

TACKLES

JACK PETERSEN: Junior left tackle is 6-5, 300, two-year defensive specialist and one of the outstanding pro prospects in the nation. Very agile and quick for his size. Anchors Indian 4-man defensive line, but could see a lot of action on offense this fall. Omaha North graduate is the top student on the squad with a B average. Arts and Sciences major played in the Shrine game. The biggest man on the squad, he is key man in the biggest college line in the country. A choice All-American candidate.

NEIL GALLOWAY: Senior right tackle, 6-2, 225, is a 3-year veteran on offense. An outstanding blocker, he has good speed and savvy. Plays linebacker on defense. A native of Boonton, N.J., Neil is an education major. Played at Wilbraham academy in Maine and was an All-New England selection. A real stout performer, he is an above average student and hopes to teach upon graduation.

BRIAN KADOW: Senior left tackle, 6-4, 255, standout on defense last fall. Twin brother of Kevin, also outstanding tackle. Regarded one of the best pro prospects on the Indian squad. Has good lateral movement, quick and very agile for his size. A native of Chevy Chase, Md., he spent a stint in the U.S. Coast Guard before coming to OU. Business Administration major is a top student. Did not see much action on offense in 1962, but may play a key role this fall.

KEVIN KADOW: Senior right tackle, 6-4, 251, outstanding defensive tackle, is regarded a top pro prospect. He is very quick and agile and a top student in the Business college. Twin brother of Brian, Kevin did not see much offensive action last fall, but is expected to fill in at a tackle slot offensively. Was All-Prep at John Carroll High School in Washington, D.C. He attended the University of Maryland and Montgomery Junior College before a stint in the service.

PAUL LIMAS: Junior right tackle, 5-9, 265, is a two-year Indian vet. Has played two seasons as a defensive middle guard and does an outstanding job. Omaha South Grad was a three-sport standout as a prep athlete. He has a good ability to analyze plays and moves well for his square size. He gets better every season. An education major, Paul plans to teach after graduation. Just recently married.

Best of the Newcomers

JOHN KROGH: Senior candidate is making his first venture into college football. At 6-3, 249, Krogh has good size and speed for a big man. Played football at Omaha Central and has earned three track letters as a weight man at OU.

JOE DIMARIO: Freshman candidate, 6-1, 238, Kenilworth, N.J.

GUARDS

WILLARD SHEPARD: Sophomore squadman, 5-10, 185, is one of only two guards who saw action in 1962 returning. The Lincoln (Nebr.) High School graduate showed a lot of promise as a rookie. He is only lacking in experience and may develop into a fine offensive guard. An education major, Willard plans a teaching career. He earned letters in football and wrestling as a prep athlete and completed in both sports at OU last year.

PHIL GODUTO: Sophomore squadman, 5-9, 170, is a little small for a college player but has lots of ability and desire. Could come along and play regularly. Hails from Dover, N.J., where he was a four year letterman in both football and wrestling. He earned a letter in wrestling at OU last winter and was voted the outstanding first year grappler. An education major, Phil hopes to teach math.

DON LOFTUS: Freshman candidate from Omaha South, 6-0, 190, was All-City player and one of best linemen in the city last fall. Could move into the starting lineup with fine start. May develop into a real star.

HARLEN ADEN: Junior transfer, 6-1, 190, comes to Omaha from Scottsbluff Junior College highly recommended. Could be the answer to one of the guard problems on the club. A good blocker, he will be a big asset.

DAN DOWD: Freshman candidate from New Rochelle, N.Y., 5-11, 185, was a fine high school athlete. Brings a good set of credentials to OU.

JOHN DELORENZO: Sophomore candidate, 6-0, 180, from South High school, played baseball at OU last spring. Didn't see much action as a pitcher. Has the size and speed to play a guard slot.

ALVIN CONKLING: Freshman candidate, 5-11, 181, comes from Council Bluffs Thomas Jefferson. Earned letters in football and track at TJ. Plans a Biology major at Omaha U.

TOM LUBY: Junior letterman, 6-2, 230, played at center and tackle last season, but may be shifted to guard if the need arises. Has been plagued with knee trouble, but an operation this summer has corrected ailment. A fine competitor with lots of ability, Tom may be an answer to the Coache's prayers this fall.

CENTERS

RON EISSLER: Junior starter, 5-10, 215, started every game as a sophomore last fall. Outstanding blocker with good knowledge of the game. Should be better than ever this fall. Not the flashy type of performer, but a steady plugger. A former All-City performer at Omaha South High, Ron came to OU from Nebraska U. An education major, he is married and the father of a child. Ron is another in the fine line of centers that have blessed OU in recent seasons. In the middle line is Mr. Dependable.

JAMES JONES: Sophomore defensive specialist, 6-3, 245, is one of the brightest prospects to come along in years. He has all the tools for greatness--size, speed, agility, and savvy. A three-sport letterman as a freshman, Jones managed to maintain a fairly high average, despite the difficulty of so many activities. A native of Morristown, N.J., Jones earned letters in football, wrestling and track at both Omaha U. and Morristown High. He was New Jersey High School Heavy-weight champion and holds the Prep Discus throw record. He played mostly at defensive and his rookie year, but coaches plan to use him at the middle linebacker spot on defense. Jones is an education major.

REED SHIPMAN: Junior transfer student, 6-2, 218, came to the Indian camp from Trinidad Junior college. He may be shifted to a guard slot if the coaching staff is unable to find the replacements needed there. Shipman is a fine prospect and Coaches expect much from him this fall.

WENDELL MESSNER: Freshman candidate, 5-11, 185, is a grad of Omaha Westside. Was team captain in football and wrestling. Second in Inter-city wrestling tourney.

QUARTERBACKS

CARL MEYERS: Senior signal caller, 5-11, 160, two-year starter, is a co-captain this fall. One of the finest small-college quarterbacks in the country. Was All-CIC last fall. Transferred here from Wyoming after earning All-City honors at Creighton Prep High School in Omaha. English major is a natural leader, calls game with little aid from coaches and does good job. A top All-American candidate this fall.

JOE BENSON: Junior quarterback, 5-11, 175, a two-year understudy to Meyers, has seen little action. Is a fine passer and works well under pressure. May blossom this fall. Lack of experience is his biggest handicap. Will probably see plenty of action this season. An architectural engineering major, Joe was an All-State and All-American High School player at Paducah, Ky. He is also a two-year Indian tennis letterman and regular.

BEST OF THE NEWCOMERS

MARLIN BRISCOE: Freshman candidate, 5-9, 165, was an all City back at Omaha South. One of the better backs in the city, coaches were pleased to get him. An architectural engineering major, he may help the Indians in the future.

JOHN MARKOVICH: Freshman candidate, 6-0, 180, fresh out of the Coast Guard, could be the find of the fall camp. A fine high school back, his value may show in a year.

FULLBACKS

WAYNE BACKES: Senior co-captain, 5-8, 197, three-year standout, is most underrated player on OU squad. A tremendous blocker, power runner and defensive standout, Backes has all the tools of greatness. Wayne is what coaches refer to as an ideal back. He has averaged 5 yards per carry in three seasons. Tremendous balance that is not usual in fullbacks is what makes him click. He will get that extra three or four yards, and is capable of going all the way. A three sport athlete at OU, Backes has letters in wrestling and baseball. Backes was an all-stater in those three sports at Morristown, N.J. High School. A PE major, Wayne was fourth in the NAIA wrestling championships as a sophomore. Coaches can't praise him enough. A portion of his toe was cut off in a power mower accident last summer, but no ill effects have appeared from the injury.

GERALD ALLEN: Sophomore standout, 6-2, 205, probably the best second string fullback in the midwest. May become the best. Was an All-Stater at Massillon, O., before joining the Air Force and coming to OU. A great runner with speed, he is very hard to tackle. He runs with his knees high. A very capable defensive secondary performer, he has all the tools for greatness.

DAVID NETTELMAN: Freshman candidate, 5-9, 170, a stand-out at Plattsmouth High School, gives OU depth at the fullback slot. One of the better hurdlers in the state, Dave was a feared backfield runner. Could be a big help in future years.

LEFT HALFBACKS

ROGER SAYERS: Senior speedster, 5-8, 155, is a 3-year veteran and the school's all-time top ground gainer average-wise. He has averaged nearly 10 yards per carry in his first three seasons and, with a good season, this fall, could become the school's all-time top ground gainer. One of the top sprinters in the nation, Sayers has been credited with a :09.4 hundred and a :20.8 220. In the last three games of 1962, he scored 42 points, after sitting out nearly half of campaign. He is a breakaway threat every time he carries the ball. Just as tough up the middle as he is outside, he has great agility and superb balance few runners possess. Combined with his speed, this makes him nearly impossible to stop.

DUANE McANDREWS: Freshman candidate, 5-11, 190, could be the find of the fall camp. A talented quarterback at Boys Town two years ago, McAndrews will be a help both offensively and defensively. He has good speed and balance and knows his way around in the defensive secondary.

DON CRUM: Sophomore defensive specialist, 6-0, 180, is back for his second campaign. Played mostly in the defensive backfield, and performed with great ability. He intercepted four passes in the last few games. He has the ability to judge just where the ball is at all times. He played baseball and football at South High. Coaches believe that he will develop into a great player.

RIGHT HALFBACKS

LEE MILNER: Senior veteran, 6-2, 205, split duty with Sayers at left halfback last fall, but should play regularly this fall. A bull-dozer type runner, Milner is good for 3 to 4 yards at a crack. Lee, a hard runner, is hard to bring down. A native of Midland, Mich., he transferred here from Wyoming U. Averaged 4.6 yards per tote in junior year. Milner, an all-stater, is an education major. He played defensive corner back last year.

JIM RAUCH: Sophomore candidate, 5-10, 175, showed a lot of promise as a rookie. He really came around in the last few games. Coaches are counting on the Creighton Prep product to perform well in the next three seasons. He didn't see much action last fall. An All-City selection in high school, Jim is a Business Administration major.

TERRY WILLIAMS: Sophomore candidate, 6-0, 178, could help the Indians this fall. A sprinter in track, Williams was clocked in :09.5 for the hundred as a freshman. Did not play football last year. He hasn't had much experience but his speed will help. An Omaha Central graduate, Terry is the state 100 yard dash record-holder.

Best of the Newcomers

RON POTOCHNIK: Sophomore track expert, 5-10, 155, came to OU at mid-semester last year and was a pole vaulter in track. He has good speed and was a fine high school athlete at Oglesby, Ill. Coaches figure the Illinois lad may help out this season.

TONY GERVASIO: Sophomore squadman, 5-9, 170, saw little action as a rookie. A hard worker, he could develop into a fine gridder. He hails from Morristown, N.J. A fair sprinter and a good wrestler in high school, Tony was a district champion. He was an all-county gridder. Tony is a business administration major.

THE OMAHA STANDOUTS

JACK PETERSEN, T

Junior left tackle is 6-5, 300, 2-year veteran. A top pro prospect, he is very quick and agile for his size. Defense is his forte but will see plenty of offensive action. A top student, he is a bona-fide All-American candidate.

CARL MEYERS, QB

Senior veteran is 5-11, 160. An outstanding signal caller, he has led OU to two very successful campaigns. A top running and passing threat, Carl has gained 1,538 yards in two seasons. Probably the OU standout, and a good All-American bet.

JIM KETTLE, E

Senior right end is 6-2, 212, and 2-year vet. An outstanding blocker and receiver on offense, Kettle is just as tough defensively. Best blocker on the squad, Jim is also a good student, and holds OU record in javelin throw (track). A top pro prospect as of-
fensive end.

WAYNE BACKES, FB

Senior fullback, 5-8, 197, is probably the most underrated player on the OU team. A hard-running fullback, Backes has the balance and agility of a halfback. A powerful runner, he also stands out as a blocker. Has averaged five yards a carry in 3 seasons as an OU regular. All-CIC prospect.

ROGER SAYERS, HB

Senior left halfback is 5-8, 150, and one of the top athletes in the history of OU. NAIA sprint champion carries a 9-plus average per carry into his 4th OU season. Scored 7 TD's in the last three games of 1962 and touched the ball only 15 times.

BRIAN KADOW, T

Senior left tackle is 6-4, 255, and one of the toughest defensive players ever to grace OU. Very quick and agile for his size, considered an excellent pro prospect. Should be a great this fall.

OU Footballers Honored at Banquet

University of Omaha footballers were honored at the annual all-sports banquet after a CIC and bowl championship. Among the awards given to gridgers were: All-American award to Paul Blazeovich by the Williams on rating system; Buck Club Outstanding First Year Football player award to Gerald Allen, fullback; Outstanding back award to Louie Miloni, halfback; Outstanding Lineman award to George Jesko, tackle; and Co-Captains awards to Blazeovich and Miloni.

Other footballers earning awards at the affair were Roger Sayers--World-Herald Nebraska Athlete of the Year and Midwest AAU Athlete of the Year; and Phil Goduto, outstanding first year wrestler.

VOGLER

LIEHR

TAYLOR

Athletic Business Manager

Harvey Vogler

Harvey Vogler, 54, is the OU Business Manager of Athletics. Vogler is a native of Saunders County, Nebr. Vogler's title includes Field House manager.

His responsibilities include the following: Ticket manager for all OU athletic events, statistician, manager on road trips, arranging for transportation and lodging for all squads and many other administrative duties. Vogler is a graduate of Mead High School and is father of two married children.

Equipment Manager

Bill Liehr

Bill Liehr, 36, begins his second year as OU equipment manager. A former Douglas County Deputy Sheriff, his duties include managing the locker rooms and caretaking of all athletic equipment.

A native of Sac City, Ia., Bill was formerly an instructor for a mechanical firm for four years.

An Omaha South High graduate, Bill is the father of two small girls.

Sports Information Director

Norm Taylor

Norm Taylor, 25, begins his third year as OU sports information director. A graduate of Overton, Nebr. High School, he attended the University of Nebraska, where he was a student assistant in the Athletic Department under Sports Publicist John Bentley. A former Lincoln Journal reporter and Dawson County (Lexington, Nebr.) Herald sports editor, Taylor came to OU in February of 1962, replacing Dick Kaegel.

Taylor is married and the father of a five-year-old daughter.

THE MAROON OUTLOOK

Sixteen returning lettermen are expected to form a sound foundation for the 1963 Chiefs. Replacements for such stalwarts as QB Leo Hupke, E Roger Hansen, G Jim Davis, G Bill Kurth, and T Jerry Pratt present the main concern as the fall camp opens. A rugged 8-game slate faces Coach Halford's club. Backfield depth appears strengthened, however some questions are still unanswered up front. The usual fine spirit prevails on the squad so the Chiefs are looking forward to a most interesting campaign and perhaps some surprises along the way.

THE BENGAL OUTLOOK

The most experience in many years -- 17 returning letter-men and 7 others with squad time -- are on coach Babe Caccia's 1963 varsity roster. Caccia makes it very clear the Bengals will be out to turn the tables on a 3-6 mark last year. Ready for a tough intersectional slate and also entry into the new Big Sky conference are such 1962 standouts as ends Rod Hohnhorst and Kent Dean; All-American mention guard Gary Arizawa and guard John Johnson; center Ben Sanford and halfbacks Frank Hall and Nick Yorges. The tackle and quarterback spots are question marks.

The 1962 Game

Idaho State and Omaha did not meet last season. The two clubs met last in 1960 and the Bengals hold a 3-2-1 edge since the series was started back in 1939. The Bengals are one of the top small college teams year in and year out, last year disposing of Drake and some tough western teams. The Bengals dumped the Indians by a 44-6 score in their last meeting and by 33-0 in 1959. The OU club won the 55-56 games by 18-7 and 9-0 for their only victories. The 1941 game ended 0-0.

THE HUSKIE OUTLOOK

Fielding virtually the same offensive unit that shattered all significant national passing records last fall, Coach Howard Fletcher appears unlikely to de-emphasize the air game in 1963. QB George Bork, who broke a raft of National marks with his bullet passes last season is back for another fling, as are his top receivers -- Gary Stearns and 6 - 5 Hugh Rohrschneider -- who led the nation in receiving last year.

THE TIGER OUTLOOK

The success of the 1963 Fort Hays club depends on whether Coach Wayne McConnell can find the answers to a pair of big questions: Who replaces Dave Parker at quarterback? Who replaces Jim Lee as a linebacker? Also bothersome: replacing four year starters Gerald Strecker at center and Ron Gardner at tackle. If the satisfactory answers are found, McConnell sees a second straight good season for the Tigers. FHS strong points are good depth and a large roster.

THE HORNET OUTLOOK

On paper two factors appear to determine how the 1963 Hornets will perform. Nineteen lettermen return from the 3-5-1 squad in 1962. Of these returnees, 12 are seniors. The Hornets boast some fine individuals: Reuben Early, explosive halfback; Bill Eikermann, All CIC defensive end; Don Wrench, top CIC passer; Caywood must replace ALL-CIC defensive standouts Jim Meyer, end, and Don Williams, defensive halfback. The Hornets, all in all, will be stronger, older and wiser in 1963 and cannot be taken lightly by any foe.

THE WILDCAT OUTLOOK

The Northern Michigan University football team will have a newlook this year, but the extent of the restyling will depend upon two basic factors: quarterbacking and passing. Coach Frosty Ferzacca has six quarterback candidates and he'll be looking for a QB who can put new life into Northern's passing attack. The spring game convinced Ferzacca that the Wildcats will have a more diversified offensive attack this year as his quarterbacks attempted more than 60 passes and completed 26. Last year NMU attempted only 67 passes. The break-away runner which played a large part in the season last year is expected to do so again this fall. The biggest problem, however, might be in filling the shoes of HB Tom Neumann, Little All American and Boston Patriot draft choice. NAIA and Little All-American tackle John Mauro headlines the twenty returning lettermen. Only five were lost. This will be the first meeting between the two clubs.

THE ICHABOD OUTLOOK

Washburn's 1963 football schedule is stronger than in 1962 when WB was fortunate to have a 4-5 season. The addition of Kearney and Southern Colorado means lots of work. On paper Ichabod backs should be fairly adequate but the club is extremely thin at fullback and center. The line will need help from newcomers and some untried and untested transfers will help later in the season. The most pressing problem is defense. In 1962 we moved the ball well, but our defense was punctured regularly.

THE GORILLA OUTLOOK

The 1963 Gorillas could be good, but not great. The personnel believe they can be good again. There will be a lack of depth, but KSC could round into a two-platoon team by early October if rookies come through. Weakness at the end spot was critical last year, but the situation could improve this fall. Eight lettermen were lost but 24 return for action. The top returnees include All CIC Bob Fulton, HB; Craig Campbell, T; Milton Fairbank, T; and Gene John, HB; Other standouts include a fine young QB in Ron Vignery, a promising fullback in Galyen McCubbin, and a host of new-comers. Could be the dark horse on the schedule. Smith one of better coaches around.

THE BULLDOG OUTLOOK

Drake fans can hardly expect to match last season's 8-2 record, tying the best in 70 years, but they are looking forward to another winning season under Coach Bus Mertes. That will take a lot of doing because Mertes can call upon only three returning starters and another trio of second-unit performers, although he has 19 lettermen in camp. The Bulldogs suffered a mortal blow to their defensive game on June 24 when Lou Procter sustained an industrial injury which necessitated the amputation of his right hand. He had been a star. Gone from 1962 are one end, one guard, both tackles and the complete backfield, as well as the entire No. 2 backfield. Reserve Tim Roels is expected to be the top quarterback, a necessary ingredient in DU success.

The 1962 Game

The two clubs did not meet in 1962, but did clash in the final game of 1961. The Bulldogs won that one by 36-14. The series between the two schools dates back to the early days of OU football.

Former Indian Gridders Are Trainers

Two former University of Omaha football standouts -- Mel Masek and Dave Gibson -- are serving as student trainers for football this fall. Gibson, a quarterback from Hillsboro, Ill., and Masek, a center from Omaha South, both finished their eligibility last season. Both earned four grid letters here, and Masek earned four wrestling awards. Gibson quarterbacked the OU team for two seasons then served as understudy to Carl Meyers for the last two seasons. Masek played guard for three years, before being shifted to center last season. Both are officers in the O-Club, OU lettermen's organization.
